Ethics Matter

- What is my role in creating an ethical workplace?
- What compliance training is mandatory for my employees?
- When I see something wrong, what do I do?
- What makes people act unethically?
- What are some situations that may arise in my workplace and how do I handle them?
- How do I talk to my staff about ethics?

Be a better supervisor!

- How do I set expectations and goals?
- How do I coach for improved performance?
- What are the levels of corrective action?
- Meet other supervisors and share resources.
- Review case studies.

Employee Engagement Series:
Topics vary and can be found on the UCS website

Studies show that employees are happier and perform better when engaged in an ethical workplace.

How do I find and register for these classes?
